0	<i>The work does not reach a standard described by the descriptors below.</i>
1-2	<i>The reflection contains some discussion of what the investigation highlighted to the student about the methods used by the historian. The reflection demonstrates little awareness of the challenges facing the historian and/or the limitations of the methods used by the historian. The connection between the reflection and the rest of the investigation is implied, but is not explicit.</i>
3-4	<i>The reflection is clearly focused on what the investigation highlighted to the student about the methods used by the historian. The reflection demonstrates clear awareness of challenges facing the historian and/or limitations of the methods used by the historian. There is a clear and explicit connection between the reflection and the rest of the investigation.</i>
	<p><b>NOTE:</b> <i>If you write a personal reflection without any connections to the way historians work and the challenges they meet the marks on this section will be very low (0-1)</i></p> <p><b>Some hints:</b></p> <p><i>This part should reflect on the methods historians use (what did the research process teach you about the way historians work?)</i></p> <p><i>This part should reflect on the challenges that faces historians (what did your research process teach you about the challenges of historians?)</i></p>
